WHAT COMES OUT OF OUR KITCHEN IS OUR PHILOSOPHY ON A PLATE

Tapas is essentially a style of eating rather than a form of cooking. Order several dishes to share amongst the table & with friends. Add to this, wine, cocktails, cool music & a dip in the plunge pool.

Please ask about our chef's selection & recommendations for large tables. Due to our policy to only buy the best quality ingredients, dishes are sometimes unavailable. Please be sure to inform us of any dietary or special requirements.
